May 18, 2023

Horse: **DELINAS RED BUD MAX**

To whom it may concern,

The above-mentioned horse was examined on May 10, 2023. Heart, lungs, and eyes were normal. No neurologic deficits were noted. He was sound at the walk and trotting.

If you have any further questions please contact my office, 352-368-1616.

Armon Blair, DVM
