Horses Name: Heritage

Age: 6

Breed: Quarter horse

Color: Gray

Temperament: -

Examined By: Dr. James Scott Handlin

Body Score: 5

Temperature: 99.8

Heart Rate: 34

Respiration: 12

Eyes: Within normal limits

Ears: Within normal limits

Nose: Within normal limits

Mouth: Within normal limits

Hooves: Within normal limits

Sound in all four limbs at base line and plus flexion. Based on the exam there are no abnormal findings. No further diagnostics were performed. Most likely a skin tag on inside right hind above hock. The bump is free moving and doesn't feel attached. No concern for future performance.
