I, Donald Savage, am the sole member/manager of NEGVS, LLC (Northeast Georgia Veterinary Services) certify as an accredited veterinarian that High Society Gentleman L., has been inspected by me and that he is not showing any signs of infectious, contagious, and/or communicable diseases. He was gentle and allowed me to pick up all his four hooves and he trotted without any lameness. His ears, nose, throat, lungs, and gut sounds all presented and normal. To the best of my knowledge, the animal listed above meets the state of destination and Federal interstate requirements. No further warranty is made or implied.

Sincerely,

Donald Savage, DVM
